

Put yourself on TRAK

IMAGE-TRAK 1™

With in-house posters and display photos you can put your message right where it counts - steps from the cash register or order desk. Consider co-operative advertising with your suppliers, or promote your own products and services, with IMAGE-TRAK 1.

IMAGE-TRAK 1 is an eye-catching new mounting and display system for stores, offices, institutions, shows and exhibits. Made from extruded PVC, it enhances all images and blends with most decors. It mounts easily on the wall or hangs from the ceiling. And image replacement is a snap. There's nothing to it, and nothing quite like it!

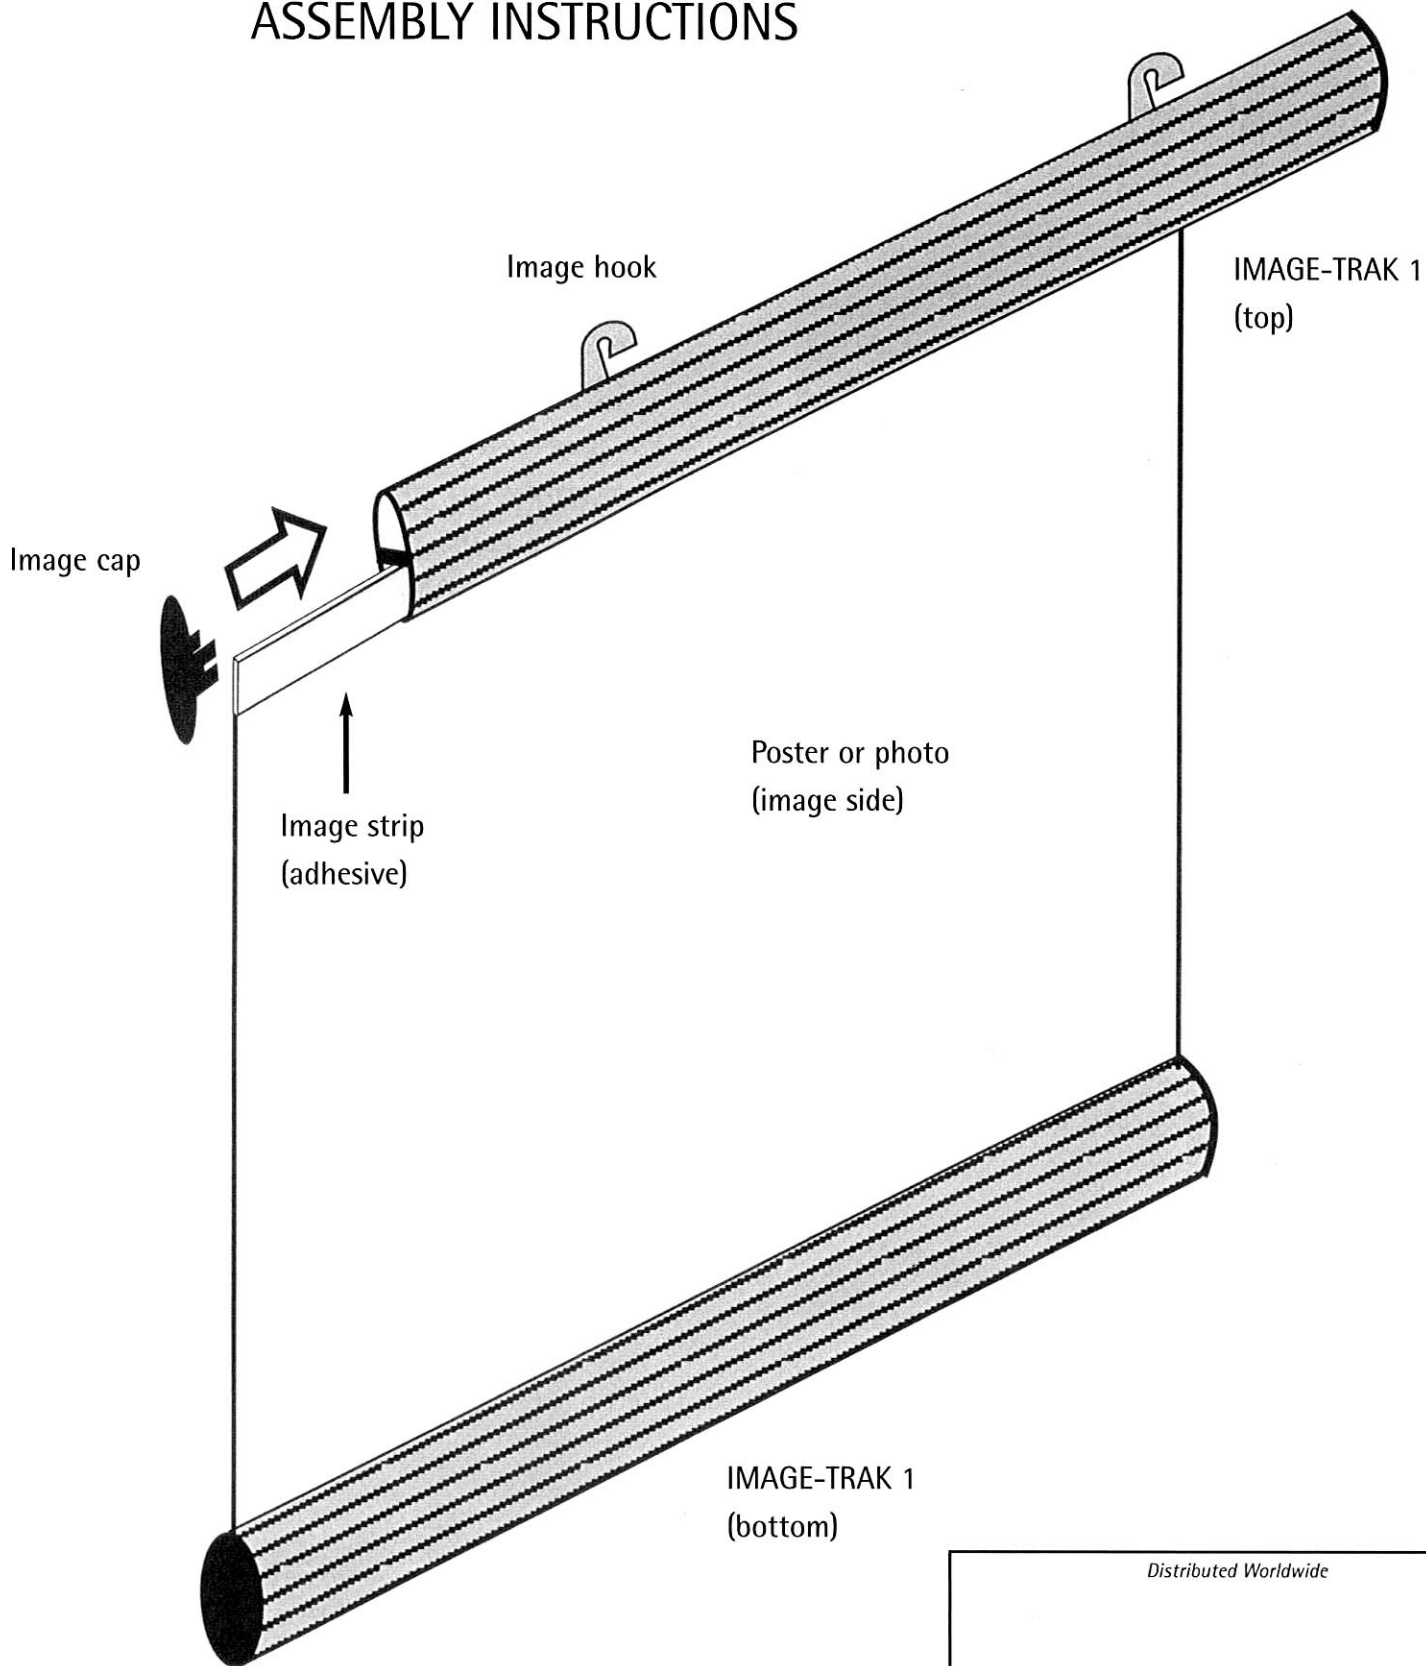

So put yourself on TRAK.....with IMAGE-TRAK 1.

Image replacement is a snap!
