

EXHIBITRIX™

the portable exhibit system—where innovation meets creativity

*combines
practicality with
outstanding appearance
and is today's most
versatile portable
exhibit system!*

sleek towers

dynamic backwalls

create stylish exhibits easily by adding canopies, curves, counters and much more

EXHIBITRIX™

Exhibitrix Designer Series

Incorporates many design elements with simple backwalls that assemble in minutes without tools.

Its sheer versatility as a system is unmatched. There is almost unlimited scope in design as it can be used as an exciting backwall or larger integrated exhibit incorporating towers, canopies, counters, cabinets and much more!

fast & easy assembly!

carry bags for podiums
